

Visually Handicapped Trust Fund - 2020

1. Financial Statements

1.1 Opinion

The audit of the financial statements of the Rehabilitation of the Visually Handicapped Trust Fund for the year ended 31 December 2020 comprising the statement of financial position as at 31 December 2020 and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Section 9(2) of the Trust Fund for the Rehabilitation of Visually Handicapped Persons Act, No.09 of 1992 read in conjunction with Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018 and Finance Act No. 38 of 1971. My comments and observations which I consider should be report to Parliament appear in this report.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the fund as at 31 December 2020, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Opinion

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the fund's financial reporting process.

As per Section 16(1) of the National Audit Act No. 19 of 2018, the fund is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the fund.

1.4 Auditor's Responsibility for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

The scope of the audit also extended to examine as far as possible and as far as necessary the following;

- Whether the organization, systems, procedures, books, records and other documents have been properly and adequately designed from the point of view of the presentation of information to enable a continuous evaluation of the activities of the fund, and whether such systems, procedures, books, records and other documents are in effective operation;
- Whether the fund has complied with applicable written law, or other general or special directions issued by the governing body of the Fund.
- Whether the fund has performed according to its powers, functions and duties; and
- Whether the resources of the fund had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

1.5 Audit Observations on the preparation of Financial Statements

1.5.1 Internal Control over the preparation of financial statements.

Entities are required to “devise and maintain” a system of internal accounting controls sufficient to provide reasonable assurance that , transactions are executed in accordance with management’s general or specific authorization, transactions are recorded as necessary to permit preparation of financial statements in conformity with the applicable reporting standards , and to maintain accountability for assets, access to assets is permitted only in accordance with management’s general or specific authorization, and the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

2. Financial Review

2.1 Financial Result

The operating result of the year under review amounted to a surplus of Rs.372,844 and the corresponding deficit in the preceding year amounted to Rs.544,920. Therefore, an improvement amounting to Rs.917,764 of the financial result was observed. This was due to a decrease in expenditure during the year under review compared to the preceding year.

3. Operational Review

3.1 Management Inefficiencies

	Audit Observation	Management Comment	Recommendation
(a)	The Women's Welfare and Textile Industry Training Division of the Seeduwa Vocational Training Institute had not been operational since 2019 and the stocks of raw materials valued at Rs.48,250 as well as a stock of handlooms valued at Rs.9,617 remain since 31 December 2018 without being used.	The Production Supervisor had left this centre and was unable to identify a new supervisor.	That it can start works here because currently have a supervisor.

- (b) A sum of Rs.425,000 payable during 2020 as Louis Braille scholarships from the first year to GCE (O/L) and university scholarships for 66 visually handicapped students had not been paid until April 2021. The vouchers for fourth quarter payments were received at the beginning of 2021 on late payments in the first quarters due to the Corona pandemic. That action should be taken to minimize delays.
