Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Had a mechanism been in place for rewarding the said activities, acts such as, illegal assembly of vehicles and alterations made to the vehicles, would have been minimized.

Rs. Agreed with the observations.

Provision totalling 200,000 had been made for training the staff and commending the sports skills, but the intended activities had not been done. No allocation whatsoever had been made in the year under review for providing rewards-the main objective of the Fund.

Budget should be prepared in a realistic manner.
