

Provident Fund of the Buddhist and Pali University – 2022

1. Financial Statement

1.1 Opinion

The audit of the financial statements of the Provident Fund of the Buddhist and Pali University of Sri Lanka for the year ended 31 December 2022 comprising the statement of financial position as at 31 December 2022 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154 (3) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018. Comments and observations which I consider should be submitted to Parliament appear in this report.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 31 December 2022, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Opinion

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

As per Section 16 (1) of the National Audit Act No. 19 of 2018, the Fund is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared.

1.4 Auditor's Responsibility on the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

The scope of the audit also extended to examine as far as possible, and as far as necessary the following;

- Whether the organization, systems, procedures, books, records and other documents have been properly and adequately designed from the point of view of the presentation of information to enable a continuous evaluation of the activities of the Fund, and whether such systems, procedures, books, records and other documents are in effective operation;

- Whether the Fund has complied with applicable written law, or other general or special directions issued by the governing council of the Fund;
- Whether the Fund has performed according to its powers, functions and duties; and
- Whether the resources of the Fund had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

1.5 Non-compliance with Laws, Rules, Regulations and Management Decisions

Reference to Laws, Rules, and Regulations	Non compliance	Comment of the Management	Recommendation
Section 29 (3) of the Sri Lanka Buddhist and Pali Universities Act No. 74 of 1981	A cheque for the payment of gratuity benefits of the provident fund amounting to Rs. 1,547,200 sent in the year 2015 to an officer who has completed his service on 20 March 2013 was rejected to accept and the amount has been shown as a creditor in the statement of Financial Position as at end of the year. A special financial committee was appointed in this regard and although recommendations were made on 31 January 2023, it was unable to solve the problem even by 30 March 2023.	A Mediation Committee has been appointed to come to the end of the long-term legal cases of the university at the 417 governing council held on 27 April 2021. The committee met on 10 January 2022 and an independent financial committee has been appointed to calculate the gratuity fund of former Deputy Registrar, Mr. Jayatissa and the report of the financial committee has been forwarded to the Mediation committee on 18 January 2023. He has not expressed his concurrence and informed that detailed information is required. Relevant information will be sent to him on the approval of the Governing Council.	Arrangements should be made to settle the provident funds as per the Act.

2. Financial Review

2.1 Financial Result

The operating result of the year under review amounted to a surplus of Rs. 47,379,966 and the corresponding surplus in the preceding year amounted to a Rs. 18,523,564, thus observing an improvement amounted to Rs. 28,856,402 in the financial result. The increase in interest income on fixed deposit by Rs. 33,364,256 had mainly attributed to the said improvement.
