I believe that audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

  material misstatement in financial statements whether due to fraud or errors in providing a
  basis for the expressed audit opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations or the override of internal control
- An understanding of internal control relevant to the audit was obtained in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Pradeshiya Sabha's internal control
- Evaluate the structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Evaluate the overall presentation, structure and content of the financial statements including
  the disclosures and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

The scope of the audit also extended to examine as far as possible and as far as necessary the following.

- Whether the organization, systems, procedures, books, records and other documents have been properly and adequately designed from the point of view of the presentation to enable a continuous evaluation of the activities of the Pradeshiya Sabha, and whether such systems, procedures, books, records, and other documents are in effective operation.
